

Ohio Farmers Value the Farm Bill

The **Ohio Corn & Wheat Growers Association (OCWGA)** recently held multiple listening sessions to learn which of the eight major Farm Bill programs are working best for Ohio farmers.

Most Important

Crop Insurance is the most important Farm Bill program for most of the farmers surveyed.

Most Long-Term Benefit

Farmers see **Trade and Crop Insurance as most beneficial** to the long-term success of their farms.

The OCWGA is a recognized voice on behalf of Ohio's corn and wheat farmers and can be a resource to legislative leaders as discussion of the Farm Bill moves forward. If you have questions or need additional information from our listening sessions, please contact:
